

# Spousal Consent for Beneficiary Designation

Reform Pension Plan Enrollment

If you are married and do not name your spouse as the sole primary beneficiary, your spouse must sign the consent below. Please fill in by hand using black ink, then upload the form on the beneficiary page of the RPB enrollment portal at: [rpb.force.com/participants](http://rpb.force.com/participants). For your security, please do not email this form.

## FOR THE SPOUSE

I hereby consent to the designation of a primary beneficiary(ies) for my spouse's RPB retirement account other than, or in addition to, myself.

I understand that I am allowing the beneficiary(ies) named at the time of my spouse's enrollment in the RPB Plan to receive assets that would otherwise be paid to me.

I understand that if my spouse changes the primary beneficiary(ies) of their RPB retirement account in the future and I am not the sole primary beneficiary, my further consent will be required.
